Download: Guide to Board Assessments

Center for Board Excellence and Corporate Board Member have published "**Guide to Board Assessments**," a practical and digestible guide to getting the most out of the board assessment process.

The guide can be downloaded at no charge.

"An annual board assessment is a mainspring process for maximizing board effectiveness," CBE says. "Corporate governance is not one-size-fits-all, and a board's assessment process should be appropriately tailored to meet each board's objectives. Performing an annual board assessment is fundamental to strong governance."

Some of the benefits of conducting an effective board assessment are:

- Promote stronger board and management alignment
- Enhance focus on key strategic areas
- Clarify board composition needs
- Identify board culture strengths and improvements
