Download: Guide to Conducting Internal Investigations

Clutch Group has published a new book, ***Guide to Conducting Internal Investigations***, providing best practices and guidance for those conducting or overseeing investigations, including boards of directors, general counsel and corporate executives in both the U.K. and the U.S.

Totaling 45 pages, parts 1 and 2 are available now for **complimentary download**.

As more regimes increase their regulatory enforcement efforts around the globe, internal investigations have become "business as usual" for many companies, especially those in highly regulated industries. But there is no regulatory blueprint for what are accepted standards and practices, and this puts companies at a disadvantage with regulators.

Co-authored with Jake McQuitty of TLT Solicitors, it is not a legal text book but a practical guide; shedding light on what a good investigation looks like whilst guiding investigators though the myriad issues that can arise.
