Unlock the Secrets to Purchasing Contract Management

Conga has published **The Ideal Buyer ‘s Guide to CLM**, to help users learn more about the steps to take to identify the ideal contract management platform for an organization.

“You’ve already heard about the tremendous ROI and impressive time to value that a contract management platform can offer your organization: a good CLM (Contract Lifecycle Management) solution can provide overall ROI of 150-200% in one year,” Conga says on its website.

The free e-book includes a sample template listing key functionality and features every full CLM should have. It also features sample questions you should ask vendors during their software demonstrations.

And it takes a look at features such as:

- Customization and flexibility
- Document management capabilities
- Improvements in visibility
- Integration capacity
- eSignature capabilities
