Complete the 2017 Law Department Benchmarking Survey

Consilio is conducting an **online survey** is designed to provide law department leaders insight into comprehensive benchmarking data, legal operations and discovery best practices, and trend reporting.

Survey results provide a foundational resource for assessing law department performance, and justifying spend and staffing levels or initiative investments through peer comparison.

“Corporate law department performance is widely discussed yet infrequently measured with accuracy across industries. Legal spending, department organization, staff workload, outside counsel and vendor management, leadership priorities, client service delivery and technology are several of the areas of performance that we aim to measure, benchmark and use to identify best practices in our 2017 Law Department Benchmarking Survey,” Consilio says on its website.

Participants who complete the survey by July 15, 2017, will receive a $25 coffee gift card.

Participants will receive the survey results report including benchmarking data at the industry and revenue segment level, Consilio reports.
