Download: The 2019 Guide to Contract Management Software

ContractWorks has published a guide to evaluate current contract management processes and learn best practices for vetting the right software for a company's needs.

"The 2019 Buyer's Guide to Contract Management Software" **can be downloaded** from ContractWorks' website at no charge.

"Purchasing contract management software can be a complicated and time-consuming process for in-house counsel. Recognizing that you need a better way to manage your organization's contracts is an important first step, but understanding what to do next can be a challenge," the company says.

The guide covers:

- How to recognize failing contract management indicators
- How gauge software readiness at your company
- How software can help and where it can't
- How to evaluate and understand your options
- How to ensure successful on-boarding
