

Deans & Lyons Co-Founder Named Among DFW's Top 100 Attorneys

Attorney Michael Lyons, co-founder of the Texas-based trial firm Deans & Lyons, has been selected among Dallas-Fort Worth's Top 100 attorneys in the 2018 edition of the Texas Super Lawyers legal guide.

The Top 100 list recognizes the DFW region's leading attorneys regardless of practice focus. In addition to this distinction, Lyons earned selection among The Best Lawyers in America for 2019. He has also been recognized among the top "high stakes" trial lawyers in the state as a member of both the Million Dollar and Multi-Million Dollar Advocates Forums, as well as a member of America's Top 100 Attorneys for Texas Lifetime Achievement. In 2017, he was named among America's Top 100 High Stakes Litigators for North Texas.

Also earning 2018 Texas Super Lawyers honors were firm co-founder Greg Deans for his products liability and mass tort work and partner Katie Stepp for her general litigation practice.

Earlier this year, three of the firm's lawyers were selected to the companion Rising Stars list of the top young attorneys in the state. Partners Chris Simmons and Courtney Bowline were recognized along with associate Lana Beverly for their outstanding work on both personal injury and commercial litigation matters.
