Download: Zapproved's Latest Guide for a Quick Reference to Essential Ediscovery Law

Zapproved has published "**The Essential Guide to Ediscovery Law and Practice**" and made it available for downloading from the company's website at no charge.

The new guide covers relevant critical sections of the Federal Rules of Civil Procedure and includes case law examples.

The company says the guide summarizes those portions of the Federal Rules of Civil Procedure that pertain specifically to ediscovery: from Rule 26's definitions of scope and proportionality to Rule 37's explanation of spoliation and delineation of available sanctions.

And the guide includes interspersed targeted advice and case law illustrations.
