Download: ‘Comprehensive E-Discovery Workflow Guide’

Exterro has published its “Comprehensive E-Discovery Workflow Guide,” which can be **downloaded** at no charge.

This resource compiles four checklists documenting best practices for each stage of the e-discovery process.

The guide includes:

- 4 e-discovery checklists covering (1) Preservation and Legal Holds through (2) Preparation for Discovery, (3)Search and Collection, and (4) Review and Production
- 32 workflow steps to ensure your e-discovery process is efficient and defensible
- How to communicate across teams inside and out of your organization
