Download: E-Discovery Action Plan for 2018 – 6 Checklists

Exterro has published a new **E-Discovery Action Plan** e-book that provides checklists, guides and tips to help optimize the e-discovery process. The e-book can be downloaded from Exterro's website at no charge.

"Sometimes the hardest part about updating your e-discovery process is just knowing where to start," the company says on its website. "With this new e-book, get six easy to use checklists for every stage of the e-discovery process so you can create an E-Discovery Action Plan for 2018."

The e-book provides checklists on topics such as:

- Data Identification
- Preservation/Legal Hold
- Early Case Assessment
- Collection and Processing
- Review
- Legal Project Management
