Download: 3rd Annual In-House Legal Benchmarking Report

Exterro has published its 3rd Annual In-House Legal Benchmarking Report for use in benchmarking legal processes against 110 legal departments.

The publication is available for **downloading** at no charge.

Exterro says its report provides information on:

- How in-house legal teams are leveraging project management principles
- What role technology is playing in achieving efficiency gains
- Which e-discovery practices are evolving and which are not
