New Law Firm Study: 4 Tips for Maximizing Value from Law Firms

Exterro has published its **2018 Law Firm Benchmarking Report**, in which more than 100 law firm professionals supplied advice and tips for getting more out of a law firm.

This is the third annual edition of the Exterro report.

The report includes:

- In-depth analysis of how law firms are working with their clients around e-discovery issues
- New techniques for improving how you communicate and work with your law firms
- Survey responses from over 100 law firm respondents on 25+ questions
