New Law Firm Study: 4 Tips for Maximizing Value from Law Firms

Exterro has published its 2018 Law Firm Benchmarking Report, in which more than 100 law firm professionals supplied advice and tips for getting more out of a law firm.

This is the third annual edition of the Exterro report.

The report includes:

- In-depth analysis of how law firms are working with their clients around e-discovery issues
- New techniques for improving how you communicate and work with your law firms
- Survey responses from over 100 law firm respondents on 25+ questions
