New Survey Results: Examining the State of E-Discovery 2018

Exterro has published “The State of E-Discovery 2018,” the results of a survey of industry trends, practices and challenges. The publication is available for **downloading** at no charge.

Pulling from the most recent research into the economics, in-house legal departments, the judiciary, and more, this State of E-Discovery 2018 report provides a holistic overview of where e-discovery is, as an industry, today.

Download this complimentary report and learn:

- How trends in e-discovery are affecting in-house legal departments and law firms
- How technology is affecting the way professionals practice e-discovery
- Which challenges in-house legal departments and law firms need to address to continue growing
