Download: A Blueprint for an Automated Compliance Program

GAN Integrity has published the second edition of **A Blueprint for an Automated Compliance Program**, an ebook that can be downloaded from the GAN website at no charge.

The ebook is a detailed guide to risk management, due diligence, training, policy management, reporting, and more.

The book is designed to help readers:

- Understand what to ask when designing your processes
- Comprehend the building blocks of an automated compliance program
- Grasp how automation streamlines previously time-consuming processes
- See how automation heightens the strategic value of compliance

Download the ebook.
