2018 Third-Party Risk Management Benchmark Report

NAVEX Global has published a new report discussing how to assess your program maturity, gain organizational buy-in and understand the value of a comprehensive third-party due diligence program.

The report **can be downloaded** from the NAVEX website at no charge.

“Third parties are an extension of your business and expose your organization to reputational and business risks,” NAVEX says on its website. “Help protect your organization with the latest insights, benchmarks and trends around how to manage these business partners.”

The report answers questions such as:

- What strategies do organizations use to manage third-party risks?
- How do organizations employ risk-based procedures to manage third-party risks?
- How do respondents measure the effectiveness of their program?
