Address Holistic Risk & Compliance at ECVC2019

The **8th annual Ethics & Compliance Virtual Conference** will feature a full agenda dedicated to helping compliance programs remediate risk holistically—from preventive to reactive program components.

The NAVEX Global event, scheduled for Oct. 24, 2019, is designed to help participants understand global complexities, budget restrictions and the future of integrated risk management.

Webinar sessions will include:

- Driving Lasting Impact for Compliance Investment
- How to Impress or Underwhelm a Federal Prosecutor
- Predictive Analytics for Proactive Compliance Programs
- Correlation Between Brand Reputation Damage & Hotline Reports

Register for the event.
