Is Your Compliance Training Program Working Hard Enough?

Navex Global will present a complimentary **webinar** outlining the state of compliance training in 2017. The event will be Thursday, July 27, 2017, at 10 a.m. Pacific time/1 p.m. Eastern time.

“Employee compliance training is intended to create great culture – yet we are still seeing company after company in the headlines because of bad corporate culture,” Navex says on its website. “So where’s the disconnect?”

The webinar will address such questions as:

• What are advanced organizations doing to break through and help create an ethical culture through training?

• What issues threaten training effectiveness?

• How do I gain executive buy-in and decrease employee cynicism?

• How are companies measuring the ROI of training?

The presentation also will include benchmark data compiled from almost a thousand practitioners’ feedback about their training efforts.
