# Third-Party Risk Management Feedback Needed

Independent marketing research firm Phase5 is **conducting a comprehensive study** on the current state of third-party risk management and is seeking input.

Confidential responses will be aggregated with other responses, summarized, and published in a comprehensive report.

A spokesman said anyone participating will receive a copy of the final report. That report will show how others manage their third-party risk and due diligence processes and discover techniques for effectively reducing legal risk.

**Take the survey**.
