Webinar: 2019 Top Ten Predictions for Legal Compliance

NAVEX Global will present a complimentary webinar titled "**Top 10 Compliance Trends for 2019**" on Thursday, Jan. 17, 2019, beginning at 10 a.m. Pacific time (1 p.m. Eastern).

The event will cover topics like GDPR, regulatory vs. public pressure, expanding third party risks, and more.

Recommendations will include:

- Aligning whistleblower stats to increased revenue
- Understanding the full landscape of third-party risk
- The current and future state of GDPR
- Managing culture and compliance around artificial intelligence
- Incentivizing employees for ethical behavior
- And more…

Register for the webinar.
