Webinar: Is Your Whistleblower Program Effective?

NAVEX Global will present a complimentary webinar title “**Employee Hotlines: What Is Your Data Telling You?**” on Thursday, April 4, at 10 a.m. Pacific time/1 p.m. Eastern time.

Studies show that effective internal whistleblower programs contribute to business success, including lower levels of litigation. Yet, external reports to the SEC are on the rise, with many employees failing to use internal reporting systems due to fear of retaliation.

The webinar will allow participants to compare how their hotline programs measures up against benchmarks from more than one million anonymized reports from industry leader NAVEX Global.
