Webinar: Ten Predictions for Ethics and Compliance in 2018

On Thursday, Jan. 18, 2018, the experts at NAVEX Global will discuss the challenges of ethics and compliance and offer predictions for 2018's most pressing compliance issues.

The **complimentary webinar** will be at 1 p.m. Pacific time/ 1 p.m. Eastern time.

This past year was filled with news headlines that resulted in major legal repercussions for many organizations—causing workplace unrest or wreaking havoc on reputations.

Webinar participants will be able to take a proactive look at their programs and make sure they have a legally defensible strategy that's prepared for any scenario, NAVEX says in its invitation.

Register for the webinar.
