Webinar: Top 2020 Risk & Compliance Trends

- A NAVEX Global **webinar** will address the top 10 risk and compliance trends for 2020.

The complimentary event will be Wednesday, Jan. 15. 2020, at 10 a.m. PT/1 p.m. ET.

In 2020, several critical issues are sure to impact the business landscape, including: election year turmoil, updates to regulatory requirements, digital environment impact, new agency guidance, data privacy, workplace behavioral shifts, and more, NAVEX says in its invitation.

Participants in the webinar will hear how experts are predicting these upcoming trends will provoke, shape and inspire organizational shifts and program improvements.

Register for the webinar.
