White Paper: Driving Disruption in the Law Department

- Onit and SimpleLegal have jointly published a **white paper** on the benefits of disruption in the legal department.

“Driving Disruption in the Law Department” is available on Onit’s website for downloading at no charge.

“The growth of legal operations has been undeniable,” Onit says on its website. “We’re starting to see communities of strategic, business-minded individuals come together to drive disruption and influence operational change within the legal department.”

The joint white paper covers:

- Why legal department disruption is a “good” thing
- How process, technology, and data play a role in disruption
- The rise of industry organizations including CLOC (Corporate Legal Operations Consortium) and ACC (Association of Corporate Counsel)
- 7 predictions for the future of legal operations by Onit CEO and founder Eric M. Elfman and SimpleLegal CEO and co-founder Nathan Wenzel
- How the legal community and technology vendors can work together to drive change and innovation
