Earn CLE at SCCE's Internal Investigations Workshop

The Society of Corporate Compliance and Ethics will present its **Internal Investigations Workshop**, January 22-24, 2020, in San Francisco.

The workshop provides two days of focused training on conducting compliance-related internal investigations. The domestic workshops also offer an optional third day post conference. Experienced compliance professionals who have in-depth experience in the challenges and opportunities in conducting internal investigations will lead the training.

Topics include:

- Understanding and assessing the initial allegation of wrongdoing
- Creating an investigation plan
- Gathering evidence
- Conducting interviews, including the subject of the investigation
- Conclusions and root-cause analysis
- Writing your report
- Avoiding pitfalls and legal risks
