Download: Bringing E-Discovery to the Cloud

Zapproved has published a free guide called "**Get In-House Processing and Review Howtos**" that can be downloaded from the company's website.

The guide's subtitle is "5 Ways to Slash Spending with Cloud E-Discovery,"

"Keeping in-house e-discovery costs in check is a constant balancing act," the company says on its website. "Complex litigation and regulatory matters – along with pressure to streamline operational spending – create an often expensive e-discovery reality."

The guide discusses:

- Use modern, cloud-based e-discovery software tools to bring routine e-discovery processes in-house.
- Modernize legacy systems to limit dependence on IT.
- Empower legal teams to slash expenses, improve data security and speed time to resolution.

The guide also offers step-by-step recommendations and best practices to help you:

- Get insights faster by plugging in data processing tools
- Save money by reviewing routine, high-velocity matters in-house
- Improve response to internal investigations and FOIA information requests
