Preparing Employers for the Next Stage of the Affordable Care Act

Business Insurance offers a free on-demand webinar explaining how and why companies should prepare to comply with fresh health benefits requirements under the Patient Protection and Affordable Care Act and the political, legal and regulatory changes that could alter the continued implementation of the five-year-old landmark law.

This webinar will explain how and why companies should prepare to comply with fresh health benefits requirements under the Patient Protection and Affordable Care Act and the political, legal and regulatory changes that could alter the continued implementation of the five-year-old landmark law, *Business Insurance* says on its website.

The U.S. Supreme Court will decide on the legality of IRS rules that authorize health insurance premium subsidies to the millions of uninsured people obtaining coverage in the 36 states where the federal government runs health insurance exchanges. If the high court strikes down those rules, will health care costs soar again for employers as hospitals and other medical providers move to curtail uncompensated care expenses by increasing medical charges for insured patients?
