

Projecting the 7 Biggest Contracts for LA Chargers Free Agents

“Pro Football Focus actually projects Mike Williams to get a bit less than this but their projections are pretty interesting and should hold a grain of salt. PFF has Williams getting a four-year, \$68 million contract and while they are in the right ballpark, Williams’ agent really should be pushing for his client to,” reports Jason Reed in Bolt Beat.

“That is the contract comparison that we used for this projection. Golladay got a four-year, \$72 million contract with \$40 million guaranteed from the New York Giants. The Giants did probably overpay Golladay and it showed with his injuries but Williams should still get slightly more than that. Williams’ stock is higher now than Golladay’s was,”
