

Ransomware Attacks Hit Three Law Firms in Last 24 Hours

“Five U.S. law firms – three in the last 24 hours – have been among the companies and organizations targeted by a new round of ransomware attacks. In two of the cases, a portion of the firms’ stolen data has already been posted online, including client information.” reports Robert J. Ambrogi in LawSites *blog*.

“Hackers have stolen data from at least five law firms, using the threat of releasing the data to extort payment from the firms, Callow said. In the two cases in which hackers already posted law firm data, they published it on the clear web where it can be viewed by anybody.”
