Saxe Doernberger & Vita P.C. (SDV) Elevates K. Alexandra O'Neill to Partner

Trumbull, Connecticut (December 4, 2022) – Saxe Doernberger & Vita, P.C. is pleased to announce the elevation of K. Alexandra O'Neill to Partnership, effective January 1, 2022.

Alexandra is a graduate of Quinnipiac Law School and began her career with SDV in 2013 as a Summer Associate after completing an externship with the United States District Court for the District of Connecticut. Her practice is devoted to policyholder representation in complex insurance litigation matters, and she has extensive experience in arbitration and mediation. Alexandra has been an invaluable member of the SDV team and has negotiated and secured insurance coverage for clients subject to federal and state government investigations.

In addition to being the firm's Information and Technology Liaison, Alexandra is active within SDV's mentorship program as a mentor to newer attorneys. Alexandra is also a member of the firm's Diversity, Equity & Inclusion Committee.

"Alex has been with SDV for many years and, during that time, has grown into one of our most energetic and dependable attorneys. She has taken the lead on extremely complex coverage cases and has deftly handled disputes running the gamut from construction defect to life insurance with ease. We are thrilled to add someone as dedicated to our clients as Alex to our partnership ranks," says Theresa Guertin, Managing Partner of SDV's Northeast office.

SDV is among the elite law firms in the country representing policyholders in insurance coverage disputes and one of the even fewer national firms whose practice is focused exclusively in this area. Our clients span a broad range, from individuals to international corporations, and reach across all industries. No matter who or where you are, SDV is the right choice for policyholders.
