

Scott & Scott Voted Best Tech Law Firm in U.S. by *Finance Monthly*

Scott & Scott, LLP, a boutique technology law firm in Southlake, Texas, has been named best Technology Law Firm in the United States by *Finance Monthly*.

The *Finance Monthly* Law Awards 2015 recognizes law firms and legal professionals who have outperformed their peers through dedication to client service and work undertaken within the past year.

“We are honored to be recognized again by the voters for this award. We have been focusing exclusively on technology law matters for over a decade and it is great to have our subspecialty recognized on a global level,” said Robert J. Scott, Managing Partner of the firm, in a release.

Scott & Scott, LLP is counsel to some of the world’s largest corporations, including PepsiCo, American Express, and Xerox. The firm has achieved “go-to” status for software licensing transactions and disputes involving the major software publishers including Microsoft, Adobe, Oracle and Autodesk. “We have handled more than 600 software disputes in the last 11 years for clients in the U.S.A. and Canada and we are not afraid to go to court against the software Goliaths like Microsoft and Adobe,” Scott said.

Scott & Scott, LLP is a leading intellectual property and technology law firm representing businesses in matters involving software licensing. Scott & Scott, LLP’s legal and technology professionals provide software audit defense and software compliance solutions, all protected by attorney-client and work-product privileges.
