Securities Litigation Monitoring Webinar

A webinar hosted by Financial Recovery Technologies, LLC (FRT), emphasized that institutions have a strong fiduciary duty to actively track securities litigation.

The webinar is now available for on-demand viewing.

A panel comprised of past and present legal representatives from several leading U.S. pension funds discussed how institutions have a strong fiduciary duty to actively track securities litigation, in the U.S. and across the globe. The expert panelists shared their funds' experiences in being active participants in securities litigation.

The discussion also addressed how funds should assess damages in order to make informed decisions about becoming active, what funds should consider before becoming active, and what impact being an active participant may have on an institution.
