

Service Contract Act and the Impacts of New Executive Orders

☒ Aronson LLC will present a complimentary webinar designed to provide a basic understanding of the Service Contract Act and the related impact on pricing and compliance risks.

The webinar will be Wednesday, Oct. 8, beginning at 11 a.m. Eastern time.

The Service Contract Act, which outlines various operational requirements for service contracts over \$2,500, can be a compliance nightmare for government contractors caught unaware and recent executive orders are adding to the complexity, the firm says on its website.

The webinar's learning objectives include:

- When does SCA apply?
- Who does SCA cover?
- What is the impact of recent executive orders?
- How does SCA impact pricing?
- What benefits satisfy health and welfare?
- How to stay compliant?
