

Service Titan Deepens its Executive Team, Appointing Olive Huang as General Counsel

“Service Titan, a software platform built to power the trades, today welcomed two seasoned leaders to its executive team: Olive Huang as General Counsel and Secretary of the Board, and Doug Myer as Senior Vice President of Operations. Both executives bring a wealth of experience and expertise as,” reports PR Newswire in their blog.

“Trades People are the unsung heroes we rely on to provide essential services like running water, electricity, air conditioning, and heat,” said Ara Mahdessian, co-founder and CEO of Service Titan. As the Operating System that powers the trades, it’s our responsibility to build a leadership team with the experience and expertise to solve our.”
