

Slone Partners Places Stephana Patton as Chief Legal Officer at InterVenn Biosciences

“Slone Partners, a nationwide executive search firm for life science, biotechnology, and diagnostics companies, has announced the placement of Stephana Patton, Ph.D., J.D. as Chief Legal Officer (CLO) at InterVenn Biosciences,” posted Slone Partners on their *Latest News*.

“Patton brings more than 20 years of legal experience to InterVenn. She most recently served as General Counsel, Corporate Secretary, and Chief Compliance Officer at Eiger Biopharmaceuticals, where she was responsible for all legal and compliance matters. Previously, Patton served as General Counsel, Corporate Secretary, and Chief Compliance Officer at BioTime, Inc., and as Vice President, General Counsel, and Commercial Compliance Officer at BioDelivery Sciences International, Inc. Patton began her pharmaceutical industry career at Salix Pharmaceuticals, Inc., where she was Vice President of Intellectual Property and Licensing until the company was acquired by Valeant, Inc. in 2015.
