Starr, Dershowitz, Ray: Trump Leans on High-Wattage Lawyers for Impeachment

Ken Starr

President Trump has added some high-wattage lawyers to round out his defense team for the Senate impeachment trial, including Ken Starr, a Fox news commentator whose special counsel investigations led to President Bill Clinton's impeachment, and Harvard Law professor emeritus Alan Dershowitz.

NPR **reports** that the team will be led by White House counsel Pat Cipollone and Jay Sekulow, a private attorney who represented Trump in the Russia investigation.
