

State Street, Sewer Contracts Awarded

“Two major infrastructure improvement projects moved forward after contracts were awarded during Monday’s Marshalltown city council meeting. Contracts for the phase one reconstruction of State Street and sanitary sewer cured in-place pipe project went out to bid last week. Construct submitted,” reports Joe Fisher in Times Republican.

“Public works director Heather Thomas said the winning bid is five percent over the estimated cost of the project. The department recommended acceptance with a proposal to cover the additional cost. The largest funding source change in terms of dollars is an additional \$461,741 from American Rescue Plan Act funding. Additionally.”
