

# Dual Language China Contracts: Don't Get Fooled

## *Insight*

No matter what the English language portion of your contract says, it behooves you to know exactly what the Chinese language portion says as well, writes Dan Harris.

---

# China Employee Non-Competes: Does Yours Have Real Teeth?

## *Insight*

Chinese courts do not automatically side with the employee; those rare employers that have done things the right way actually usually win, writes Grace Yang in China Law Blog.

# Why Your NDA Does Not Work For China

## *White Article*

A contract with Chinese companies must make clear that whether the information provided is a secret or not, the Chinese factory agrees not to use the information in competition with you.
