Legal Holds: Educating Company Employees about Document Preservation

Event, Nov. 17, 1 p.m. EST

Companies that do not take reasonable steps to preserve relevant information risk sanctions. Companies must swiftly and clearly communicate legal holds to employees that have relevant information so that the employees can take appropriate action to identify, collect, and properly preserve the information, intact and without alteration.

Court Grants Discovery on Individual Defendants' Personal Computers and Email

News

A magistrate judge has found that a plaintiff's request for individual defendants to search for and produce certain documents from their personal computers and email accounts was not "unduly intrusive or burdensome" because the request was limited in time frame and the parties had agreed to search terms, according to a report by Doug Austin on eDiscoverydaily.
