

Tekmovil Adds Matias Hercovich as Global General Counsel

“Tekmovil is pleased to announce the addition of Global General Counsel, Matias Hercovich. In his position, Hercovich will lead the company’s worldwide transactional corporate and general legal affairs. We are delighted to welcome Matias to our growing enterprise,” said Claudia Rodriguez, COO,” reports PR Newswire in their blog.

“His highly credentialed experience will not only benefit our organization, but the clients and partners we represent as well. We look forward to having his legal expertise on our side. Prior to joining Tekmovil, Mr. Hercovich held the General Counsel position at biotech company Crystal Lagoons, the worldwide leader in large clear waterbodies.”
