The 3 Biggest Mistakes Companies are Making with CCPA

Amid COVID-19, CCPA enforcement is still scheduled to go into effect on July 1, 2020. With less than two months to go, companies are still fumbling with creating a privacy policy that is both CCPA compliant and will work as other state privacy laws come into effect.

Most of the mistakes that businesses are making regarding their compliance efforts fall into three categories.

Download this guide, The 3 Biggest Mistakes Companies Are Making With CCPA, to find out the most commonly made mistakes and how to create a defensible process to avoid adverse legal and financial consequences.
