# The ACA and Looking Ahead Beyond 2015

Littler Mendelson will present a free webinar on employer responsibility requirements imposed by the Affordable Care Act.

The webinar will be Tuesday, Dec. 16, beginning at 1 p.m. Eastern time.

On its website, the firm says that in 2015, employers with 100 or more full-time employees will be required to comply with the employer responsibility requirements imposed by the Affordable Care Act (ACA).

In this webinar, Littler attorneys will review these pay or play rules, and will discuss what is in store for employers beyond 2015. From the phasing out of transitional relief to the Cadillac tax, presenters will explain how employers should continue preparing for what the ACA has in store for years to come.
