

The General Counsel Bringing Home the Big Bucks

Above the Law **reports** that a new ranking of compensation of general counsel shows that each of the GCs in the top 10 made more than \$3 million in 2017.

Eric Grossman of Morgan Stanley tops the list with compensation last year of nearly \$7 million.

Other companies in the top 10 in GC pay include American Express Co., Twenty-First Century Fox, Walt Disney, Leucadia, CBS, Halliburton, Microsoft, HRG Group and Netflix.

Corporate Counsel created the ranking, which considered base salary, cash bonus, and nonequity incentives.
