

The Intersection of Bankruptcy and IP Law

✖ Financial Poise, the ChamberWise Education Consortium, and West LegalEdcenter will present a joint webinar, “The Intersection of Bankruptcy and IP Law” on August 13, beginning at 10 a.m. Eastern time.

Speakers include: Dan Cohn, Murtha Cullina, LLP; Jack O’Connor, Sugar Felsenthal Grais & Hammer LLP; Chris Wick, HahnLaw; and Rafael Zahralddin-Aravena, Elliot Greenleaf.

When a company files for bankruptcy protection, other areas of the law continue to be applicable. However, because of competing policy concerns and because of the Supremacy Clause of the United States Constitution, the interaction between bankruptcy law and other areas of the law can be complicated and confusing. This webinar series highlights the varying ways in other areas of law interact with bankruptcy law. As with all Financial Poise webinars, each episode in the series is designed to be viewed independently of the other episodes: think sitcom rather than soap opera.
