

The Legality of eSignature – Take Your Company Digital with DocuSign

☒ DocuSign Inc. will present a one-hour educational webinar on the use of electronic signatures in global and national commerce, including updates on regulatory developments. The complimentary webinar will begin at 1 p.m. Eastern time on Wednesday, July 16.

DocuSign meets all the requirements of the Federal E-SIGN Act to give customers assurance that DocuSigned documents are safe, secure and legally enforceable – even more so than if they were signed the “old fashioned way” with paper and pen as all DocuSigned documents come complete with a legally binding audit trail. The Federal E-SIGN Act covers contract types of all kinds including arbitration, life and auto insurance and securities.

This one-hour educational webinar will be offered on Wednesday, July 16th, 10am PT/ 1pm ET. Topics to be covered include:

- The Uniform Electronic Transactions Act (UETA) of 1999
- The Electronic Signatures in Global and National Commerce Act (E-SIGN) of 2000
- General Rule of Validity
- What is an Electronic Signature?
- Evidence
- Regulatory Developments including FRB and CFPB and the meaning of “Provide,” One-Offs, Mobile Devices and Mobile Privacy, FTC Updated Dot Com Disclosures, and Accessibility
