

The Pandemic Drove Up Compliance Costs; Here's How To Get Back On Track

"The Covid-19 pandemic's impact on the economy is far from over. Ripple effects spread far beyond the typical business's bottom line. Besides obvious health and safety concerns and the operational difficulties that accompany remote work, and in addition to supply chain problems plaguing much of the economy, the typical enterprise has also seen its regulatory compliance obligations change dramatically, altering risks and increasing costs," reports Kayvan Alikhani in Forbes.

"With 2022 just around the corner, now is the time to chart a new path forward that makes sure 2020 and 2021 were anomalies, not the new normal"
