The Risk Intelligent General Counsel – A Deloitte White Paper

The legal and regulatory terrain has gotten rougher, says Deloitte in a white paper, yet the general counselmust not only keep up, but stay ahead. “Trying to do so with the frameworks, thinking, and tools of the past can be frustrating. It is may be time to update, to move from giving your organization a sense of direction to providing more guidance and leadership in this area,” the paper continues.

Deloitte’s white paper, *The Risk Intelligent General Counsel*, provides a fresh perspective on legal and regulatory risk governance and management. This Risk Intelligent perspective recognizes the need to view these risks across organizational silos and to understand their potential impact on the finances, reputation, and future of the business.
