

Three Bradley Attorneys Recognized in 2021 Edition of Who's Who Legal: Life Sciences

Bradley Arant
Boult Cummings LLP is pleased to announce that partners Lindsey C. Boney IV, Tripp Haston and Lela M. Hollabaugh have been named by Who's Who Legal as among the world's leading life sciences attorneys. They are listed in the Product Liability chapter of the 2021 edition of Who's Who Legal: Life Sciences.

Bradley's nationally recognized Life Sciences Industry team represents clients involved in pharmaceuticals, medical devices, molecular testing services, drug delivery systems, clinical labs (CLIA), genomic labs, bioinformatics, genomic medical clinics, research institutions, contract research organizations, animal sciences, plant sciences, and healthcare. Bradley earned Tier 1 national rankings in the 2021 edition of U.S. News – Best Lawyers “Best Law Firms” for Mass Tort Litigation/Class Actions, as well as Tier 1 “Best Law Firms” metropolitan rankings for Product Liability Litigation – Defendants for Birmingham; Jackson, Miss.; Montgomery, Ala; Nashville, Tenn.; and Washington, D.C.

The 2021 edition of Who's Who Legal: Life Sciences is scheduled to be published early next year by London-based Law Business Research Limited. Only lawyers who receive the

highest number of recommendations from peers and clients as determined through independent research are listed in the publication. The Who's Who Legal directory lists more than 27,000 private practice lawyers from more than 160 national jurisdictions, covering diverse areas of corporate and commercial law. The guides are intended to serve as reference sources for companies seeking to corroborate the reputations of lawyers recommended by another party.
