Three Organizations Bestow Honors on AZA

Houston-based Ahmad, Zavitsanos, Anaipakos, Alavi & Mensing, also known as AZA, has received recognition from three organizations, including being cited as one of the nation's "most feared law firms."

Legal research group BTI Consulting, which conducts a comprehensive survey of corporate counsel at major U.S. companies, included AZA on its "most feared" list on the basis of extensive interviews with 300 general counsel and in-house litigation counsel at top-spending companies and organizations.

And AZA was listed as one of only 10 boutique firms nationally recognized by the legal news publication *Law360* for successfully challenging the nation's biggest law firms. *Law360* says the 2015 list includes firms that are on par with the biggest firms but less expensive and more accessible to clients.

The firm also earned selection as a Litigation Department of the Year for 2015 by the publishers of *Texas Lawyer* newspaper.
