Top 10 Federal Contract Set-Aside Opportunities for 2015

- GovWin has published a free white paper on the top government contract set-asides for the current fiscal year.

The top ten federal set-aside opportunities for FY 2015 list consists of prime 100 percent set-aside contract opportunities from an array of federal departments and multiple industries, GovWin says on its website. The FY 2015 top ten set-aside opportunities total over $21 billion.

Jennifer Sakol, Principal Analyst with Deltek Federal Information Solutions, wrote the report.
