

Top 20 Biglaw Firm Matches Salaries that Go Up to \$415K

“The 2022 salary wars seem to be winding down, but there are still dozens of firms that have yet to make a move that we know of when it comes to compensation. The key phrase there was that we know of – if anonymous sources don’t reach out to us, it makes it difficult for us to report on and track how,” reports Staci Zaretsky in Above The Law.

“In fact, it took one of our recent dives into the firms that hadn’t raised salaries yet (to our knowledge) to get tipsters from one very highly ranked firm to reach out to us. This is just a little reminder for folks to get in touch with Above the Law as soon as your firm announces any kind of salary or bonus news. The more tips we receive, the merrier.”
